

A hassle-free payment solution.

Finally! Offer credit card acceptance to your customers.

SOFTtelPay is a fast, simple and convenient way for your customers to pay their bills by credit or debit card via automated toll-free phone or web. It's safe, it's simple, and it's available 24 hours a day, 7 days a week—all with no merchant or transaction costs to you!

Your customer is charged a reasonable convenience fee, but saves on time and money by not incurring costs for envelopes, stamps, checks, or gas.

Fully PCI compliant, *SOFTtelPay* provides an added level of security with a 256-bit secure socket layer technology for data transmission—no sensitive card information is stored or accessible.
